National Conference on
INNOVATIONS IN SCIENCE, TECHNOLOGY, AGRICULTURE & HEALTHCARE APPLICATIONS (NC-ISTAH '2024)

Conference overview

The National Conference on Innovations in Science, Technology, Agriculture & Healthcare Applications (NC-ISTAH-2024) is a premier platform designed to illuminate the forefront of innovation and knowledge across diverse disciplines. As we navigate the intricate landscape of contemporary advancements, NC-ISTAH -2024 serves as a nexus for researchers, academicians, industry professionals, and students to converge and engage in vibrant discussions. The conference is envisioned as a dynamic space where the latest breakthroughs in Science, Engineering, Agriculture & Healthcare applications are showcased, providing a comprehensive overview of the current state and future trajectories of these crucial domains. With a focus on interdisciplinary collaboration, NC-ISTAH -2024 aims to foster meaningful connections, facilitate knowledge exchange, and inspire collaborative initiatives that address the multifaceted challenges of our time. Participants can anticipate a stimulating environment that encourages the exploration of cutting-edge research, technological innovations, and strategic management practices, laying the groundwork for a shared vision of progress and advancement. Join us at NC-ISTAH -2024 as we embark on a collective journey towards shaping the future through the lens of science, engineering, technology, and management studies.

Call for Paper

The following indicative topics, but not limited to, are welcome to be submitted for the conference

Track 1 : Advances of Cutting-Edge Technology in Science & Engineering

Track 2 : Revolutionary Developments in conventional and non-conventional systems

Track 3 : Emerging Trends in Sustainable Agriculture and Food Technology

Track4 : Recent advances in Healthcare Applications

Track 5 : Emerging Innovations in Management Studies

Journal Partners

Selected papers will be published in Scopus indexed proceedings, WoS and UGC care indexed journals.

Proceedings
• Advances in Intelligent Systems Research (Part of Springer Nature) ISSN (Online):1951-6851

Scopus Journal
• International Research Journal of Multidisciplinary Technovation (IRJMT) (E ISSN 2582-1040)

ESCI/WoS Journal
1. Indian Journal of Heterocyclic Chemistry (ISSN:0971-1627, E-ISSN:2456-4311)
2. International Journal of Agricultural and Statistical Sciences (ISSN:0973-1903, E-ISSN:0976-3392)
3. Biopesticides International (ISSN :0973-483X, E-ISSN:0976-9412)
4. Journal of Environment and Bio-Sciences (ISSN:0973-6913, E-ISSN: 0976-3384)
5. Annals of Entomology (ISSN: 0970-3721)
6. Biochemical and Cellular Archives (ISSN: 0972-5075, E-ISSN:0976-1772)
7. Journal of Experimental Zoology, India (ISSN: 0972-0030, E-ISSN:0976-1780)

Important Dates

Abstract Submission Deadline	:	05.07.2024
Notification of Abstract Acceptance	:	15.07.2024
Registration (Starts)	:	25.07.2024
Submission of full-length papers by	:	31.07.2024
Conference Dates	:	23.08.2024 & 24.08.2024

REGISTRATION

To participate in the conference, the author needs to register online and submit the paper using the link

https://conference.nehrucolleges.com/nc-istah-2024.

It is required that at least one author of all accepted papers have to register for the conference to ensure that the paper is included in the proceeding. Only registered authors are allowed to present and publish their papers
