Outcome of Activity/Event/Program	<p>The seminar is expected to yield the following key outcomes:</p> <ol style="list-style-type: none"> 1. Enhanced Awareness of Indian Knowledge Systems (IKS): Participants will gain a deeper understanding of India's rich traditional knowledge, including Vedic literature, Ayurveda, philosophy, arts, and sciences. 2. Strategies for Digitization and Preservation: Librarians will acquire insights into modern digital tools, techniques, and best practices for archiving and preserving ancient manuscripts, texts, and historical records. 3. Integration of Traditional Knowledge with Modern Research: The seminar will facilitate discussions on how to bridge indigenous knowledge with contemporary academic and scientific research. 4. Improved Access to Digital Resources: Participants will explore new approaches to enhancing accessibility through digital libraries, repositories, and open-access platforms. 5. Policy Recommendations and Institutional Support: The seminar will provide a platform for discussions on policies and institutional frameworks needed to support the digitization and dissemination of traditional knowledge. 6. Skill Development and Capacity Building: Librarians will develop competencies in digital literacy, metadata management, and knowledge-sharing strategies to effectively manage digital archives. 7. Networking and Collaboration Opportunities: The event will foster collaboration among librarians, researchers, academicians, and policymakers to create a collective vision for preserving and promoting India's intellectual heritage. 8. Action Plan for Future Initiatives: The seminar will conclude with recommendations for future research, projects, and initiatives to further enhance the role of librarians in safeguarding and disseminating India's traditional knowledge in the digital era. <p>These outcomes will help strengthen the role of librarians as key facilitators in making Indian Knowledge Systems more accessible and relevant in today's digital world.</p>

Academic Year: 2024 - 2025

Semester: EVEN

Name of Activity/Event/Program	One day National level Seminar on " Role of Librarian in Unveiling Indian Knowledge System in digital era"
Date	15.03.2025
Venue	P K DAS Hall, NIT Campus
Organized by	IQAC – NIT, National Education Policy Implementation Cell (NEPIC), IKS in association with Department of Library
Name of Faculty/Coordinator	Dr.M.Kumaresan
Recourse Person	Dr.J.Arumugam, Librarian P.SG.College of Tech, Coimbatore
Participated by	First Year Food Tech and Cyber Security students
Objective	<p>The objective of the One-Day National Level Seminar on "Role of Librarian in Unveiling Indian Knowledge System in the Digital Era" is to explore and discuss the evolving role of librarians in preserving, digitizing, and disseminating India's rich traditional knowledge in the digital age. The seminar aims to:</p> <ol style="list-style-type: none">Highlight the Significance of Indian Knowledge Systems (IKS): Discuss the vast heritage of Indian knowledge, including Vedic literature, Ayurveda, philosophy, arts, and scientific contributions.Role of Librarians in Digitization and Preservation: Examine how librarians can use digital tools and technologies to archive and provide access to ancient manuscripts, texts, and historical documents.Integration of Traditional Knowledge with Modern Research: Explore ways to blend indigenous knowledge with contemporary academic and research practices.
Content	<p>Enhancing Access through Digital Platforms: Discuss digital libraries, repositories, open-access resources, and their role in making Indian Knowledge Systems widely available. Policy and Institutional Support: Understand governmental and institutional initiatives supporting the digitization and dissemination of traditional knowledge. Skill Development for Librarians: Address the need for librarians to develop digital literacy skills, metadata management, and knowledge-sharing strategies. This seminar will serve as a platform for librarians, researchers, academicians, and policymakers to collaborate and contribute to preserving and promoting India's intellectual heritage in the digital age.</p>
